The house was built in the early 1900s by a wealthy rancher named Juan Seguin. Seguin and his family lived in the house for several years, but in 1912, they were all murdered by unknown assailants. The house has been empty ever since.

There are many different stories about what happened to the Seguin family. Some say that they were killed by bandits, while others believe that they

were murdered by a jealous neighbor. Whatever the truth may be, the house has a dark and tragic history.

Over the years, many people have claimed to have seen ghosts in the house. Some have seen the ghosts of the Seguin family, while others have seen the ghosts of other people who have died in the house. There have also been reports of strange noises, such as footsteps, voices, and laughter. Some people have even reported feeling a sense of dread or evil while in the house.

The Purisima Hauntings have been investigated by many paranormal investigators over the years. Some investigators have reported finding evidence of paranormal activity, while others have found nothing. However, the mystery of the Purisima Hauntings remains unsolved.

The Purisima Hauntings is a fascinating and mysterious story. It is a reminder that there are still many things that we do not know about the world. It is also a reminder that even the most ordinary places can have a dark and sinister history.

The Seguin Family Murders

The Seguin family murders were a horrific crime that shocked the community of Purisima, Texas. On the night of January 10, 1912, Juan Seguin, his wife Maria, and their two children, Juan Jr. and Maria, were brutally murdered in their home. The murders were never solved, and the house has been empty ever since.

There are many different theories about who killed the Seguin family. Some say that they were killed by bandits, while others believe that they were

murdered by a jealous neighbor. Whatever the truth may be, the murders remain a mystery.

The Purisima Hauntings

The Purisima Hauntings began shortly after the Seguin family murders. People began to report seeing ghosts in the house, and hearing strange noises. Some people even reported feeling a sense of dread or evil while in the house.

The hauntings have continued for over a century, and many people have claimed to have had paranormal experiences in the house. Some have seen the ghosts of the Seguin family, while others have seen the ghosts of other people who have died in the house. There have also been reports of strange noises, such as footsteps, voices, and laughter. Some people have even reported feeling a sense of dread or evil while in the house.

The Purisima Hauntings have been investigated by many paranormal investigators over the years. Some investigators have reported finding evidence of paranormal activity, while others have found nothing. However, the mystery of the Purisima Hauntings remains unsolved.

The Purisima Hauntings Today

The Purisima Hauntings are still a popular destination for ghost hunters and paranormal enthusiasts. The house is now owned by the city of Purisima, and it is open to the public for tours. However, the house is said to be very haunted, and many people have reported having paranormal experiences while visiting the house.

If you are brave enough to visit the Purisima Hauntings, be sure to bring a camera and a flashlight. You may just capture a photo or video of a ghost!
